24. Vintage Brass Band Agreement
To make sure that all parties understand what will happen now and in the future (bearing in mind that committee members change) the following clearly explains how the Christchurch U3A Vintage Brass account will be autonomous in the manner of expenditure.

1 Ray Pickett will be invited to become a committee member and a trustee and will be a signatory for Christchurch U3A Vintage Brass cheques. If Ray Pickett should leave the committee a new signatory (i.e. committee member and trustee) would be appointed who- is both a committee member and a member (preferably a leader) of Vintage Brass.

2 The leaders of Vintage Brass have total discretion, without reference to Christchurch U3A committee to spend band funds as required. All funds within the Christchurch U3A Vintage Brass account will be ring fenced for the use of the Vintage Brass Band only. Accounts are to be presented to the Christchurch U3A treasurer annually (year ends to match those of Christchurch U3A) for inclusion in the financial statement at the AGM. Cheques drawn on the U3A Vintage Brass account will require two signatures, one of these to be a trustee. Christchurch U3A will continue to pay for hall hire for band practice.

3 The band will continue to be totally responsible for their own fund raising and as such if a time came in the future whereby was no longer part of Christchurch U3A, all assets solely for band use would then become the property of Vintage Brass Band. If the band should cease to exist the members would have the right to disperse the money to a charity of their choice.

4 Vintage Brass has the right to invite fully paid-up members of other U3A groups to become members of and to play with the band with a membership fee which is currently in force.

5 As agreed and recorded in the minutes of the meeting of the 26th February 2008, clause 2, Vintage Brass would continue to have the right to use “strengtheners” as agreed within this clause. The attendance of these to be recorded
6. All advertising for band concerts will be in the name of Christchurch U3A Vintage Brass Band.

The following policies should be reviewed every year by the management committee: Last Reviewed: September 2015.

25. Annual Membership fee
   The Treasurer will propose and the Committee will then agree the annual membership fee for the coming year at a committee meeting prior to the year end.

26. Reserves
   The Charity Commission suggests between 6 and 12 months running costs. This amount is to be reviewed annually when the annual accounts are presented to the Trustees.

   The reserve account is to be used:

   To ensure that Christchurch U3A continues even if there is a drop in income

   To have some money available in case of emergencies such as our need for new premises

   To pay for any large unexpected expenditure

   To bridge any cash flow problems

   To meet the outstanding debts if Christchurch U3A ceases to exist
